# ECONOMIC DEVELOPMENT

## WHAT CONCERNS DO YOU HAVE ABOUT MIDTOWN?

- lack of affordable housing
- poor upkeep of properties (residential/commercial)
- less vacant buildings
- control gentrification
- general suburbanization
- too main chain businesses
- unappealing storefronts
- more local businesses
- need more foot traffic for success of businesses
- lack of grocery stores
- clean up blight
- less vape and tattoo shops
- need more shops and restaurants
- too much focus on auto-oriented businesses
- need more multifamily
- property taxes
- nimby-ism
- big development
- excessive incentivizing of new development
- out-of-town investors/developers
- more housing for low-income population
- in efforts to preserve past, we pass up development opportunities
- lack of affordable housing for families
- loss of density
- development will drive out diversity
